The ERM BOOSTER CLUB (ERMBC) is an independent volunteer organization comprised of like minded friends and family dedicated to supporting Eric R. Myers (ERM) endeavors as he ascends to the East to become the President. As a dedicated member of the ERM BOOSTER CLUB, you are on the front-line with the upcoming administration of the President. In crafting his platform of service, Eric R. Myers seeks to encourage everyone to express their thoughts, opinions, and ideas about the State of the Order. It is my job to interact with and listen to everyone. To let them know that they have a voice, not only in the ERM BOOSTER CLUB, but also at the administrative level as well.

As I begin to travel, I am eager to speak with you; specifically, to find out what you think; and, ultimately, obtain a sense of direction as to where you want our organization to go.

Through sponsored fellowship activities and outputs, club members enthusiastically contribute their time, talents, donations, and skills towards exemplifying the motto of "Commitment to Service: Today, Tomorrow, Forever!" To that end, we invite you to join the team, so that a dream; a goal; a mission may become reality. If you would like to support our mission along with affiliating with fun and professional group of results driven individuals, we cordially WELCOME YOU TO OUR TEAM!
